COOKIE POLICY

The website www.cerin.it (hereinafter, "**WebSite**" or "**Site**") uses cookies.
Below you can find more information about cookies, how they are used on the Site and what control procedures we adopt with respect to the cookies themselves.
After reading our "Notice" banner, you may consent to the use of cookies by click on "ACCEPT" button.
If you do not agree to the use of cookies you can click on "REJECT" button or just close the cookie banner, they will not be enabled.
You can manage the enabled cookies by follow the instructions on "Tracking preferences" button in the lower part of the web page, see paragraph number 4

1. WHAT COOKIES ARE?

Cookies are small text files sent on your electronic device (PC, tablet, etc.) while browsing a website. Cookies are then sent back to the original website during each subsequent navigation, or are sent to a different website that is able to recognize that specific cookie. Cookies act as a memory for a website, allowing the website to recognize your device on each subsequent visit to that site. Cookies also allow you to store your browsing preferences by providing a more functional experience of the Site, and making the content of the Site as personalized as possible. You can find more information about cookies, including how you can understand what the cookies have set up on your device and how you can manage and delete them, by accessing the following link www.aboutcookies.org

2. COOKIE TYPES

The cookies may be technical, analytical and profiling cookies.
The Site uses only technical and analytics cookies from third parties:

Cookie key	Domain	Expiration	Type	Description
_iub_cs- * strictly necessary	Iubenda.com	6 months	Technical	**iubenda Cookie Solution (iubenda srl)** The iubenda Cookie Solution allows the Owner to collect and store Users' preferences related to the processing of personal information and in particular to the use of Cookies and other Trackers on this Application. Place of processing: Italy – Privacy Policy.
_ga	cerin.it	2 years	Analytics	This cookie name is associated with Google Universal Analytics - which is a significant update to Google's more commonly used analytics service. This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics reports.
_gat	cerin.it	1 minute	Analytics	This cookie name is associated with Google Universal Analytics, according to documentation it is used to throttle the request rate - limiting the collection of data on high traffic sites.
_gid	Cerin.it	1 day	Analytics	This cookie is set by Google Analytics. It stores and update a unique value for each page visited and is used to count and track pageviews.
dadaproaffinity * strictly necessary	.www.cerin.it	Session	Technical	third-party technical cookie of the IIS Server hosting the site necessary to route a session to the correct server, in order to keep it active

Google Tag Management cookie details
This type of service helps the Owner to manage the tags or scripts needed on this Application
This results in the Users' Data flowing through these services, potentially resulting in the retention of this Data.
Google Tag Manager (Google LLC)
Google Tag Manager is a tag management service provided by Google LLC.
Personal Data processed: Usage Data.
Place of processing: United States
Google Analytics - analytics.js cookie details :
The services contained in this section enable the Owner to monitor and analyse web traffic and can be used to keep track of User behaviour.
The Site adopts tools that reduce the identifying power of cookies, such as "gat._anonymizeIp ();" to ensure the anonymization of IP addresses (so-called "IP-masking"). The Site does not use **profiling cookies**.
Personal Data processed: Tracker; Usage Data.
Place of processing: United States – Privacy Policy – Opt Out.

3. OBJECTIVES

The technical cookies used on the Site are used to ease and facilitate your browsing and to provide and allow you to use the services of the Site.

Analytical cookies are used to analyze and track the way in which the Site is used (eg. n. of accesses and pages viewed), for statistical purposes and to allow us to make improvements to the Site in terms of operation and navigation.

4. HOW TO CONTROL AND REMOVE COOKIES

You may authorize the use of cookies by click on "ACCEPT" button on Website Cookie Banner, you may deny the authorization to the use of cookies by click on "REJECT" button or otherwise disable or delete them at any time by manually proceeding with the modification of the browser configuration and by following the instructions contained in the cookie manager's policies.
To setup your browser to reject cookies, refer to the instructions provided by your browser provider. A more detailed guide can be found at www.aboutcookies.org or in the dedicated browser page:

Microsoft Windows Explorer: http://windows.microsoft.com/it-it/internet-explorer/delete-manage-cookies#ie=ie-10
